

Ecole du Samedi Policies

Children in this program must be bilingual. For new students, we ask that parents send us a 1-2-minute video of their child speaking French (5-6 sentences introducing themselves, their family, their summer plans, etc.). **Please email your video to: afgreenwich@gmail.com.** Videos will NOT be posted anywhere and will be deleted as soon as they have been reviewed.

The first day of the program will include an evaluation of each child's French level. Teachers may suggest additional teaching tools based on these evaluations, including other AFG programs for children, private lessons, and independent study. EDS students will receive a temporary discount on AFG programs and tutoring if they choose to pursue these opportunities.

In response to demand, we hope to expand our program to include Quatrième (4ème) for the 2025-26 academic year. Due to space constraints in our building and depending on interest, an older/advanced group may be moved to a different day and time and perhaps offered online. **Please email afgreenwich@gmail.com before registering for these levels.** We will work with parents to find a convenient solution. Thank you for your patience.
